

## *Monthly CDGC Meeting Summary*

The tenth club meeting of 2011 was held on October 17<sup>th</sup>. Would like to extend a big 'Thank You!' to Ralph's wonderful fiancé Paris for opening up her house to a bunch of assorted characters affectionately known as the CDGC. 10 members were able to attend and after consuming some hot dogs encased in polycyclic hydrocarbons, we gathered together and rambled about disc golf matters. For those that couldn't attend, the following matters were discussed:

### **Membership:**

Our membership count is now at 78! Our newest member, Michael Bowen, signed up after the SCDGC's on Sunday. Welcome to the pack Michael!!!!

### **Club News:**

#### League Nights:

There will only be 2 more weeks of Tuesday and Thursday leagues. Start times have been pushed up to 5:20 to account for the onslaught of darkness. Ralph Pitt will continue to run Wednesday doubles at Earlewood; just remember that the start time will be adjusted as the days get shorter.

#### Disc Sales:

Quite a few club discs were gobbled up over the weekend as part of payouts for the tournament. If my synapses are firing correctly, there were 15 altogether. That should put us close to the breakeven point on discs money-wise. We still have a quite a few discs for sale so make sure you pick up one or two or three. It is almost Christmas and what better gift could there be than a shiny, new CDGC-stamped disc?

#### Bag Tags:

Yes, it's that time again to start getting ready for next year's bag tags. We'll be looking at a couple of different tags that other clubs use (the round metal ones like Upstate and minis like Easley) as well as the one we have now. A vote on which tag we'll use for 2012 will be held at the next meeting. If anyone has any other ideas please bring the details to the next meeting (sample/pricing/availability/color/etc).

#### Christmas Party:

Mark your calendars for this festive event! A tentative date has been set for Monday, December 5<sup>th</sup> at 6:00pm. While the date is set, the location is still being determined. Carolina Wings and Ale worked out really well last year and is still a viable option. However, it was the highest expenditure of the year so we are looking at other venues that might be a little less. More on this coming soon!

#### 6-6-6 Tournament:

Our very own Danny Marks will be hosting a "Halloween 6-6-6" event at Crooked Creek on Sunday, October 30<sup>th</sup> at 2:00pm. This will be a fun event playing 6 holes in various styles. He's also promising to make hole 13 a little more wicked than usual. The winners will be able to select some plastic from Danny's personal stash. If you want an enjoyable and entertaining afternoon then I highly suggest you make it out for this.

### **Course Projects:**

Earlewood Work Day:

A work day at Earlewood has been scheduled for November 12<sup>th</sup> at 9:30am. We will be putting more steps going up hole 11's fairway, building a wall around hole 14's basket and shoring up hole 9's tee pad. There's quite a bit of work that's slated for that day so I hope to see a lot of you out there.

**Miscellaneous:**

The next club meeting will be on November 21<sup>th</sup> at 6:00pm.

Until then, keep bangin' chains people!!
